JESÚS

Hey man! How are you doing?

PEPE

Hello

JESÚS

It's been ages since we last
saw each other!

PEPE

Yeah I know,...ages!

JESÚS

How are you?

PEPE

Good and you?

JESÚS

Yeah not too bad. You know,
the wife the kids, the work...
There are always problems.

PEPE

It's the same with my wife!

JESÚS

Do you live here?

PEPE

Yeah, very close. Do you live here?

JESÚS

No but I work in this area.

PEPE

I'm really sorry but I...

JESÚS

Ah. Are you in a hurry?

Sorry, sorry, but I will see you soon?

We can grab a coffee or something?

I will call you.

PEPE

Ok, sounds good.

JESÚS

Bye

PEPE

See you later.

Who was that?

My phone...where is my phone?

Police, police.
